

BE ^A HERO

give to
& YOUR Hero

A truly special Mother's Day gift for the Hero in your life!

Give a \$10 minimum donation to Children's Harbor's Be a Hero program in honor of your Mom, or other special women in your life, and receive a card designed by the Children's Harbor kids to let her know you did so!

Not only will this gift show your appreciation, it will also make a difference in the lives of foster children & teens.

WE NEED YOU! Be a Hero! Students looking for community service hours, faith based organizations, businesses, other service oriented organizations—help us distribute the cards within the community!
