

Harbor Keepers

Monthly Giving Club

Helping Children, Strengthening Families, Inspiring Hope

Join our monthly giving club and help a child.

Help make a difference every month in the lives of foster children by joining the Harbor Keepers Monthly Giving Club. Harbor Keepers is a group of generous donors who support Children's Harbor consistently throughout the year by making automatic monthly donations.

By choosing to become a Harbor Keeper, you will enjoy the convenience of monthly giving while helping Children's Harbor meet continual funding needs.

Benefits of joining the Harbor Keepers include:

- eliminating the need to write checks.
- saving on postage and time – no envelopes to address and stamp needed.
- being able to participate at a higher level by spreading your payments out over 12 months.
- easily tracking your charitable contributions through your credit card statement.

The program is flexible. If your financial situation changes at any time, you can suspend your participation by contacting the Development office.

Your tax deductible contribution will show up each month on your credit card statement. Annually we will send you a letter acknowledging your total giving. This letter will also serve as your tax receipt. You will also receive special recognition on our website and your actions will encourage others to do the same.
